--	---	---	--	--	--

3. Elective Courses

	21	21	These 21 credit hours should be based on transfer school requirements. May choose from sections 1 and 2 above and/or transfer guides available through the Academic Advising Center.		
Total Degree Hrs.	62	62	GPA of 2.0 ("C") or better required for graduation.		

¹ MTH-122 fulfills general education requirement only for students seeking elementary teaching certification.

² Effective for entering freshmen in summer 1998 or after, Moraine Valley's general education core for the A.A./A.S. degrees will satisfy the Illinois Articulation Initiative: General Education Core Curriculum.

³ Some baccalaureate institutions have a foreign/second language requirement. Consult the catalog of the intended transfer institution.

(N) Designates courses examining human diversity from a non-US/non-European perspective

(D) Designates courses examining human diversity within the United States

Transfer Credit: Students seeking to apply credits earned at other institutions must submit an official college transcript and an evaluation request form to the Moraine Valley Records Office. Evaluations may take 4 to 6 weeks and the results are mailed to the student. Academic advisors do not complete official transcript evaluations.

General Graduation Requirements
