|--------------------------|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> | <input type="checkbox"/> | I have met with the program coordinator and understand the nature of the program and career. |
| <input type="checkbox"/> | <input type="checkbox"/> | I have completed one year of high school algebra, Moraine Valley course MTH-095 or above, or an equivalent course at another college, with a grade of “C” or above. |
| <input type="checkbox"/> | <input type="checkbox"/> | I have completed one year of high school biology with a lab, or one semester of college biology with a lab, with a grade of “C” or above. |
| <input type="checkbox"/> | <input type="checkbox"/> | I have maintained a minimum overall grade point average of 2.5 based on a four-point system. (Please note: The high school GPA will be used unless the applicant has attempted 12 semester hours of college credit applicable to a Moraine Valley degree.) |
| <input type="checkbox"/> | <input type="checkbox"/> | I have completed the following Moraine Valley placement tests or received a waiver form.
A. Math placement test score or waiver must qualify applicant to take MTH-109.
B. English placement test score or waiver must qualify applicant to take COM-101.
C. Reading placement test score or waiver must qualify applicant for courses above RDG-091. |
| <input type="checkbox"/> | <input type="checkbox"/> | I have met with an advisor and understand the selection of applicants is completed by using a ranking system. |
| <input type="checkbox"/> | <input type="checkbox"/> | I understand my application must be submitted by June 1. My file must be complete with all documents (including high school and college transcripts) by June 15. Students who apply after the June 1 deadline date and meet all program admission requirements will be considered on a space-available basis. |
| <input type="checkbox"/> | <input type="checkbox"/> | I understand that qualified in-district students are given priority over out-of-district students for program admissions. |
