EXECUTIVE SUMMARY	1
Introduction.....	2
The Process	2
External Environment.....	4
Internal Environment.....	11
Moraine Valley Community College Technology Plan Guiding Principles	15
Funding.....	15
Policies and Procedures.....	15
Recommendations.....	16
Next Steps	16
CHAPTER ONE: EXTERNAL ENVIRONMENTAL ANALYSIS	20
Alternative Delivery Systems	20
Definition	20
Global Trends.....	21
Higher Education Trends	22
Implications for Moraine Valley Community College.....	23
Classrooms.....	24
Definitions.....	24
Global Trends.....	24
Higher Education Trends	25
Implications for Moraine Valley Community College.....	27
Computing	29
Definition	29
Global Trends.....	29
Higher Education Trends	30
Implications for Moraine Valley Community College.....	33
Instructional Design and Support.....	35
Definitions.....	35
Global Trends.....	35
Higher Education Trends	38
Implications for Moraine Valley Community College.....	40
Learning Centers and Laboratories	42
Definitions.....	42
Global Trends.....	42
Higher Education Trends	43
Implications for Moraine Valley Community College.....	45

Library and Information Resources	50
Definitions.....	50
Global Trends.....	50
Higher Education Trends	51
Implications for Moraine Valley Community College.....	51
Networking	53
Section One: Network Standardization	53
Definitions.....	53
Global Trends.....	55
Higher Education Trends	57
Implications for Moraine Valley Community College.....	57
Section Two: Network Security	58
Definitions.....	58
Global Trends.....	58
Higher Education Trends	59
Implications for Moraine Valley Community College.....	60
Section Three: Networking/Universal Access	61
Definitions.....	61
Global Trends.....	61
Higher Education Trends	61
Implications for Moraine Valley Community College.....	62
Policies and Procedures.....	63
Definitions.....	63
Significant Findings.....	63
Implications for Moraine Valley Community College.....	67
Professional Development	69
Definition	69
Global Trends.....	69
Higher Education Trends	70
Implications for Moraine Valley Community College.....	71
User Support.....	72

Global Trends.....	72
Higher Education Trends	74
Implications for Moraine Valley Community College.....	76
CHAPTER TWO: INTERNAL ENVIRONMENTAL ANALYSIS	78
Alternative Delivery Systems	78
Historical Overview.....	78
Current Status.....	81
Internal Trends	82
Implications for Moraine Valley Community College.....	83
Classrooms.....	84
Historical Overview and Current Environment	84
Implications for Moraine Valley Community College.....	93

Computing	94
Historical Overview and Current Environment: Mainframe and General Information.....	94
Historical Overview and Current Environment: Stand-Alone Systems	99
Current Status: Application Software—Mainframe and Personal Computers	106
Current Status: General.....	108
Interview Results and Implications for Moraine Valley Community College .	109
Instructional Design and Support.....	111
Historical Overview.....	111
Current Status.....	112
Internal Trends/Interview Results	112
Implications for Moraine Valley Community College.....	113
Learning Centers and Laboratories	115
Historical Overview.....	115
Conclusion of the Review of History	122
Internal Environmental Analysis/Assessment of Current Technology	123
Interview Results	124
Implications for Moraine Valley Community College.....	126
Library and Information Resources	128
Historical Overview.....	128
Current Status.....	132
Implications for Moraine Valley Community College.....	142
Networking	143
Historical Overview.....	143
Current Status.....	145
Internal Trends and Implications for Moraine Valley Community College.....	145
Policies and Procedures.....	146
Historical Overview.....	146
Current Status.....	147
Internal Trends	147
Implications for Moraine Valley Community College.....	148
Professional Development	150
Historical Overview.....	150
Current Status.....	151
Implications for Moraine Valley Community College.....	152
User Support.....	153
Historical Overview: Administrative User Support	153
Historical Overview: Academic Computing Support.....	154
Interview Results	155
CHAPTER THREE: PROJECTS AND RECOMMENDATIONS	157
Budget for Planned Obsolescence of Equipment and Systems	157
Make All Systems at Moraine Valley Year 2000 Compliant.....	159
Laboratory Upgrades and Cascading.....	161
Review Salaries and Grades of Technical Staff on Campus	162
Campus Network Wiring Upgrade.....	164

Collapse of Academic and Administrative Networks.....	166
Create Training Infrastructure in Technology for Moraine Valley	
Community College Computer Users	168
Re-engineer Technology Training for Faculty and Staff	170
Technology Training Resource Personnel	172
Laboratory User Support.....	174
New Classroom Building to New Technology Standards.....	176
New Administrative Systems with Database Capabilities.....	178
Centralized Help Desk.....	180
Virtual College Project.....	182
Library Instructional Classroom/Laboratory	186
Internet Access.....	188
Recruit and Hire a Webmaster	190
Development of the Electronic Reference Center.....	192
E-mail Access from Remote Locations	193
Migrate the Library's INNOPAC from a Token Ring Environment to a Fast Ethernet Environment.....	195
Establish Center for Instructional Design (CID).....	197
Maintenance Budgets	200
Dynacom Staffing	202
Course Enhancement: E-mail and Home Pages for Web-Assisted Courses ...	204
Intranet Web Site Creation and Access for Faculty and Staff.....	206
Internships for Technical Support Personnel.....	208
Multimedia Classrooms.....	210
Retrofit Electrical Outlets in Six Classrooms	212
Upgrade Video Output Sources in Selected Classrooms.....	214
Enhance Library's Collection Management Through the Purchase and Implementation of the INNOPAC Inventory Control Module.....	216
E-mail Choice and Implementation	218
NetCon Implementation	220
Remote Computer Maintenance	222
Computer Portability	223
Enhancing Support for Compressed Video Delivery	225
Upgrade FPAC Dorothy Menker Projection System	227
Computer Store	228
Evaluating the Technology-Learning Connection.....	230
New-Employee Assessment	232
Expansion of Compressed Video Delivery Sites	234
Upgrade F216 Macintosh Lab.....	237
Survey Faculty Concerning Potential Usage of Multimedia Instructional Materials	239
Internet Browser Selection.....	241
Scout Teams.....	243
Technology-Compatible Library Furniture and Electrical Rewiring	245
Gigabyte/ATM Technology	247
Macintosh Technical Support	249

Publish a Technology Newsletter	251
Exploration of Audio Courses.....	253
CHAPTER FOUR: FUNDING	256
CHAPTER FIVE: POLICIES AND PROCEDURES.....	262
CHAPTER SIX: RECOMMENDATIONS	267
CHAPTER SEVEN: 2001: A SCENARIO FOR THE FUTURE OF MORAIN VALLEY COMMUNITY COLLEGE	270
GLOSSARY	274
BIBLIOGRAPHY.....	300
APPENDIX A: TECHNOLOGY WORK TEAMS.....	308
