

Are you ready  
to be a power user?

Autodesk

Autodesk® Learning Paths is a skills development tool designed for you. It maps out courses that follow a natural progression, gradually building on each other, so you learn how to use Autodesk products in a logical, sequential way. Even power users can benefit from additional training. Find the right path to enhance your skills as a mechanical engineer.

# Your Learning Checkpoint is ready for you!

Autodesk®

**Visit [www.autodesk.com/checkpoints](http://www.autodesk.com/checkpoints) now to evaluate your product skills at the manufacturing learning checkpoint.**
