

MORaine VALLEY COMMUNITY COLLEGE
Office of International Student Affairs

REQUEST FOR INSURANCE PROGRAM FEE WAIVER

Medical insurance must be maintained during the entire stay in the United States while a student at Moraine Valley Community College. Students are enrolled in the group program upon enrollment at Moraine Valley. The fee for insurance is added to the tuition bill.

If the student buys insurance in the home country, or insurance is provided through the government or employer, the international student may request a waiver of the fee and exemption from the college's plan. Students who want to request exemption from the college's group insurance policy, must bring proof of the medical insurance policy, and complete the information requested below. Students who have their own insurance must be sure their own insurance provides equal or better insurance coverage than the plan offered through the college. It is the student's responsibility to understand these conditions.

WAIVER REQUESTED: SPRING_____ SUMMER_____ FALL_____

STUDENT CERTIFICATION OF MEDICAL INSURANCE

"I certify that I have my own medical insurance which is equal or better than the group insurance program offered at Moraine Valley. My insurance is useful for medical treatment in the United States. I understand it is my responsibility to maintain medical insurance during my entire stay in the U.S. while enrolled at Moraine Valley Community College."
