

# Mammography Technology Certificate Program

## Admission Application

The Mammography Technology Certificate Program is an advanced imaging certificate. Students must be certified by the American Registry of Radiologic Technologists (ARRT) and licensed by the Illinois Emergency Management Agency (IMEA) to be eligible for the program.

### Directions

1. Obtain official transcripts from each college you attended and forward them to:

Ms. Christine Kuropas  
Health Science Coordinator  
Career Programs Subdivision Office, B150  
Moraine Valley Community College  
9000 West College Parkway  
Palos Hills, IL 60465-2478

2. Complete the reverse side of this form.

3. Deliver your completed application, including official transcripts, to Christine Kuropas in the Career Programs Subdivision Office, Building B, Room B150. You may call (708) 974-5708 to confirm hours of operation.

4. Present an original copy of your current:

ARRT Certification

**AND**

Illinois Emergency Management Agency ([www.state.il.us/iema](http://www.state.il.us/iema)) state license

Our office will copy your certification and license information to include with your application.

The deadline date for application submission (including transcripts) is **Oct. 1**.

Only applications submitted with completed supporting documentation (see 3 and 4 above) will be considered.
