APPENDIX A- Student Information

Student Information for the Moraine Valley -Roosevelt Dual Degree Program

You are eligible for the DDP if:

- You are a full-time student at Moraine Valley Community College.
- You have successfully completed a minimum of 12 and maximum of 45 credit hours and you are in good academic standing at Moraine Valley Community College.

The best time to apply is during your second semester at Moraine Valley Community College. This will maximize your benefits from the DDP Program. You must apply by the time you have completed 45 credit hours.

It's easy to enroll in the DDP—and it's free! The application form is available on Roosevelt's website, and also in paper at Moraine Valley's Transfer Center and Academic Advising Center (both in Building S, Room S201).

After you complete the simple, one-page form, turn it in to the Transfer Center at Moraine Valley. After verifying your eligibility, Moraine Valley will send your application to Roosevelt. The Transfer Admission Counselor at Roosevelt will let you know when you have been accepted.

If you enroll in the DDP, complete your associate degree at Moraine Valley and transfer to Roosevelt, you will be able to take advantage of a number of program benefits, including the following:

- Guaranteed Admission to Roosevelt University
- DDP Guaranteed Tuition Discount Plan
- Invitation to Compete for Roosevelt Scholarships (if eligible)
- Special Advising

If you are enrolled in the DDP, you will be guaranteed admission to Roosevelt after you graduate from Moraine Valley with a 2.5 GPA. However, some Roosevelt baccalaureate programs have special admission requirements. Admission to these programs is not guaranteed.

DDP participants are eligible for the following scholarships based on their academic success at Moraine Valley:

Scholarship	GPA Range	Amount
Transfer Presidential	3.4 & Above	\$14,000
Transfer Dean	3.0-3.39	\$13,000
Transfer Trustee	2.7-2.99	\$12,000
Transfer Founders	2.5-2.69	\$10,000

DDP students are eligible for the following additional awards:

- Phi Theta Kappa Scholarship: An additional \$1,000 award to the scholarship matrix below is available for students in Phi Theta Kappa applying to Roosevelt with an earned Associates Degree from Moraine Valley.
- Preferred Partner DDP Scholarship: A \$1,000 award will be given to students transferring to Roosevelt from Moraine Valley Community College. Students are eligible for either the Phi Theta Kappa or the Preferred Partner DDP Scholarship, but not both.

Those students taking part in the honors pathway should follow the scholarship eligibility contained in that agreement.

You will have academic advisors at both Moraine Valley and Roosevelt who will assist you with transfer advice, course selection, and personalized academic planning to complete both your associate and bachelor's degrees in a minimum number of terms—and without loss of credit.

We want to be sure you are on the right track, so working with your Roosevelt advisor is a requirement of the DDP. The DDP is designed to enable students to complete both an associate and bachelor's degree within four years. Depending on the DDP enrollment term, you will have from two to six academic semesters (plus summers) to complete your associate degree at Moraine Valley. The semester after you graduate, you will enroll at Roosevelt and you will have six more semesters (plus summers) to complete your bachelor's degree.

Full-time students in all degree programs—including A.A.S. degrees—are eligible to enroll in the DDP. Many universities do not accept the A.A.S. degree in transfer, but Roosevelt has a number of degree programs that are specifically designed for A.A.S. students who want to complete their bachelor's degree. Your Roosevelt advisor will work with you one-on-one to help you choose the program that best fits your academic and career goals.

Most community college students haven't decided where they want to transfer. You have everything to gain—and nothing to lose—by enrolling in the DDP. Your enrollment in the DDP will not limit your transfer options in any way. If you decide to transfer to another university, no problem. But if you do decide to transfer to Roosevelt, you will have many advantages that won't be available to non-DDP students. Remember, the DDP will provide you with an excellent opportunity, but it does not carry any obligation for you to transfer to Roosevelt.

The completion of the associate degree is an important milestone in your path to a bachelor's degree. Life happens. If something delays or precludes the completion of your bachelor's degree, your resume will still show you successfully achieved an associate degree.

Students who complete only two years at a four-year university leave with no credential, but at Moraine Valley you have the opportunity to complete a degree. We want to encourage you to take advantage of earning that important degree. Studies show that students who complete an associate degree before transfer are more likely to earn a bachelor's degree, and they do so in a shorter period of time. If you complete an A.A. or A.S., you won't have to redo your general education requirements when you transfer to any IAI university in Illinois, including Roosevelt University.

Your Roosevelt and Moraine Valley advisors will work with you while you are a student at Moraine Valley to ensure your academic plan enables you to graduate with your associate degree and transfer all of your credits to Roosevelt. If you follow the advice of your counselors and advisors, you will not lose any credits when you transfer.

As a transfer student, you will fit in easily and successfully at a high quality institution that has specialized in serving transfer students for decades. So if you want to write for the newspaper, get involved in student government, or join a club, you will have many opportunities to participate and be a leader. While you're still enrolled at Moraine Valley, you will learn about the Roosevelt Center for Campus Life and be invited to participate in activities at Roosevelt. The average class size at Roosevelt is only 18 students. Professors are as accessible as they are at Moraine Valley, and there are ample opportunities to participate in research projects with Roosevelt faculty.

APPENDIX B- DDP Participation Form

Dual Degree Program Participation Form

The goal of the Dual Degree Program (DDP) is to create a seamless transition for transfer students intending to complete their baccalaureate degree at Roosevelt University. The Program allows students the opportunity to be simultaneously admitted to both Roosevelt University and Moraine Valley Community College.

Students indicate their intent to participate in the program by filling out this form. This form must be submitted before earning 45 semester hours at Moraine Valley. DDP students are subject to the same admission, degree requirements, and academic policies governing all other Roosevelt University and Moraine Valley students.

Instructions

- Step 1:** Meet with your Academic Advisor at Moraine Valley to verify eligibility to apply.
- Step 2:** Complete this DDP Participation Form for admission to Roosevelt University. Submit official transcripts from all colleges or universities, in addition to other documents, as requested by Roosevelt University. Apply before you have earned 45 semester hours at Moraine Valley to be eligible for participation in the DDP program and associated scholarships.
- Step 3:** Submit this form to the Moraine Valley Transfer Center in Building S, Room S201. **Upon receipt of this form, Roosevelt University will waive the application fee.** If you apply online, mail or bring this form to:

Roosevelt University
Office of Admissions
430 S. Michigan Avenue
Chicago, IL 60605
