

Student Right-to-Know Information

Student Right-to-Know Information on Graduation, Transfer-out, and Retention Rates

The following information is provided in compliance with federal regulations. The rates below reflect the graduation and transfer-out status of students who enrolled in 2014 and were tracked for three years.

During the fall semester of 2014, 1,625 first-time, full-time certificate or degree-seeking students entered Moraine Valley Community College. After three years (as of August 31, 2017):

- 27.4% had graduated from Moraine Valley
- 23.8% had transferred to another college without completing a degree
- 13.5% were still enrolled at Moraine Valley

Graduation rates are also reported for students receiving athletically-related student aid. During the fall semester of 2014, 22 first-time, full-time athletes entered the college. After three years:

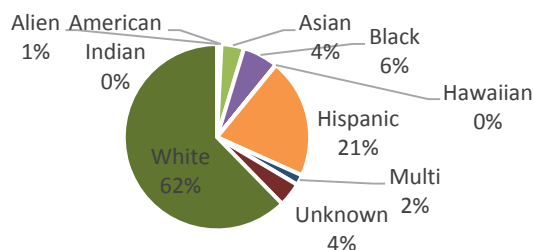

- 54.5% had graduated from Moraine Valley
- 27.2% had transferred to another college without completing a degree
- 9.1% were still enrolled at Moraine Valley

While reviewing this information, please be aware that graduation rates are affected by a number of factors. Some students leave because their career goals changed and some leave when they get a job. Some may leave because of academic deficiencies. Some students begin full-time but are unable to continue attending full-time and thus need more than three years to graduate.

Using the fall semester of 2014, 505 first-time, part-time, certificate or degree-seeking entered Moraine Valley Community College. After three years:

- 8.1% had graduated from Moraine Valley
- 21.6% had transferred to another college without completing a degree
- 14.7% were still enrolled at Moraine Valley

The figure below shows the breakdown of both full-time and part-time students who received a degree or certificate by race:

During the fall semester of 2014, 387 students transferred-out of Moraine Valley Community College. After one year (as of fall 2015):

- 81.6% are in Good Academic Standing at their transfer institution.
