Personal Statement

Please provide additional information for the selection committee's consideration. You should address areas like the circumstances of your financial need, your educational and career goals, and other information that you think the selection committee will find useful when reading your application. Be concise, and limit your statement to 500 words. This statement will become a key part of your scholarship application and will be read carefully by the scholarship committee. You may type below, hand-write your essay on this paper or attach a printed document to this application.
